

### **Amendments to the Specification:**

Please amend the paragraph beginning on page 6, line 11 as follows:

Referring to FIG. 6, box 10 is square shaped and includes an outer fabric layer 60 of a first color 70 and a first pattern 80 that coordinate with at least the color 90 or pattern 110 on necktie 30. Preferably, fabric layer 60 of box 10 is selected to coordinate with fabric 120 of necktie 30 retained therein. Box 10 also includes an interior layer of fabric 300 that can be selected to coordinate with necktie 30.
